FRIDAY  
**OCT 31**

# Door Knock for Candy & VOTES

Just 5 days before the elections!

This is a chance for you to make a difference in the 2008 elections by dressing up in a costume, grabbing a friend and talking with neighbors about the initiatives that affect your community.

# TRICK OR VOTE

*Studies show that the most effective way to get young people to vote is to knock on their doors and encourage them to. And what's the one day when we actually look forward to answering the door? Halloween!*

## Contact us to:

### 1. Sign up yourself or your organization

- Just because you are under the age of 18 doesn't mean you can't make a difference in this year's elections. Party with us on Halloween and protect the rights of youth all at the same time.

### 2. Volunteer

- Organize games and activities during the party
- Drive and support youth as they door knock
- Set up and clean up the party area

### 3. Organize a Trick or Vote event in your area

- Find our Trick or Vote Toolkit in early October on our website
